The paid up capital of the Society is said to be 4113 R & the loan asked for is within the limit fixed by rule 1(2).

The loan is recommended to be granted free of interest and repayable in 10 ~~years~~ instalments after the ~~first~~ two years. Under rule 2, the loan is repayable in not more than 3 instalments commencing after the first two years, & is to be free of interest for the first two years & will afterwards bear interest at 5 per cent per annum.

If the loan is granted it may be granted on terms as laid in the rules.

Now that a general rule is proposed to be passed to regulate these loans it seems desirable not to depart from such rule.

In another file (Banking 48 of 06-07) the question of finally issuing rules for the grant of loans to Co-operative Societies has been submitted to Government for orders.

The loan suggested in the present case is not in accordance with the ~~xx~~ proposed rule in several respects.

Rule 1. restricts loans to Co-operative societies at least one half of the members whereof are agriculturists". In this society the majority are weavers and not agriculturists. It is not however clear why loans should be restricted to Co-operative Societies the members of which are mainly agriculturists & not to Co-operative societies ~~engaged in~~ connected with industrial enterprises. ~~Societies~~ Societies engaged in promoting weaving & other industries ~~are~~ deserve & stand in need of help just as much as societies connected with agricultural operations. Rule 1 may therefore be slightly amended by the addn of the words,

"or any other Co-operative Society

I have the honor to be

For Revenue Commissioner

Letter No. 542/CS 116 dated 22nd April 1908 from the Registrar of Cooperative Societies in Mysore & the Revenue Commissioner in Mysore

In forwarding herewith copy of letter No. 1975 dated 9th April 1908 from the Deputy Commissioner, Chitaldrug District, recommending the grant of Rs 2000/- as a loan from Government to the Zahir-ul-Islam Cooperative Society at Molakalmuru in his District. I have the honor to state that in the draft rules re the grant of loans to Cooperative Societies from State Funds published in part III of Mysore Gazette dated 2nd January 1908 it is laid down specifically that at least one half of the members

members of a cooperative Society applying for Government loan should be agriculturists. From the appended list of members of this Society it is found that there are only 18 agriculturists, and as such, no loan can be granted to this cooperative society.

2. The Zahir-ul-Islam Cooperative Society is however a very deserving society consisting of both Mahomedan and Hindu weavers, and has been doing very useful work, as may be seen from the notes of my last inspection submitted with this office docket No. 267/CS dated 8th December 1907 and reviewed in G.O No. 71. 3307-B/43-07-2 dated 9th January 1908. Up to the end of

of March 1908 the share capital collected was Rs 4113 out of a nominal capital of Rs 10000/-. In my letter No. 516 C.S-18 dated 8th April 1908, I have already reported that it is inadvisable at present to start a Cooperative society for the weavers of Bangalore, for which purpose Government promised to advance a loan of Rs 2000/-. I beg that you will be kind enough to move the Government for extending its support to the Malakalmuru Society, by transferring to it the loan promised to the Bangalore society on the understanding that it should be only such sum within Rs 2000/- as may

may be fixed by me in consultation with the Deputy Commissioner.

2 The vernacular papers received with the above letter are enclosed for perusal and kind return

In forwarding herewith the the report No. 208 dated 6.4.'08 received from the Amildar of Molakalmuru re the grant of loan of Rs.2,000 from Government to the Zahir-ul-Islam Co-operative Society established at the place, has the honour to state that the required nominal capital of Rs. 10,000/- at Rs. 10/- a share , with which the society was started has been made up and the paid up shares amount to Rs. 4110/- at present

2. As Molakalmuru is one of the chief centres of Silk Industry in the Province, this amount is found to be insufficient to supply the weavers with raw materials required for weaving purposes and grant loans to them for purchasing food stuffs.

3. As the society is doing good

work and its affairs are being managed satisfactorily, it is requested that the Government may be moved to grant a loan of Rs. 2,000/- without interest on condition that the same is repaid within 10 years at Rs. 200/- a year, the repayment commencing after two years from the date of granting the same.
